- 7-years wear warranty
- Affordable wall-to-wall carpet range
- Available in six subtle and stylish colours
- Made from 100% polypropylene Stainsafe

balta
Made in Belgium

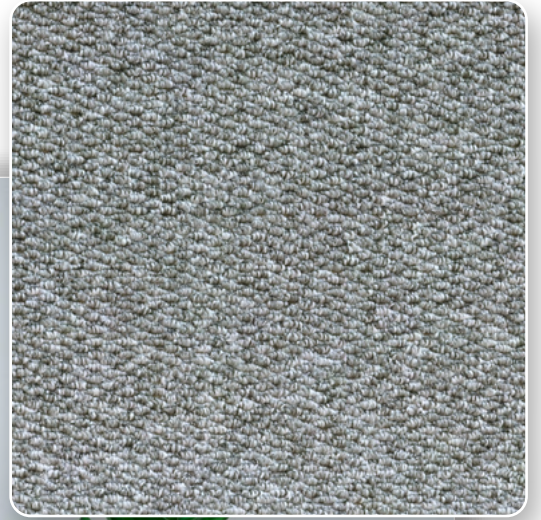

Goal

Goal is a practical and affordable wall-to-wall carpet range from Belgian manufacturer Balta Group, available in six subtle and stylish tones. The innovative polypropylene construction does not absorb any water, so it is bleach cleanable and ultra-resistant to stains. Combined with a loop pile that does not show footprints or vacuum lines, it is perfect for those who want a carpeted floor that requires very little care. The carpet also prevents static build-up, is suitable for underfloor heating and comes complete with 7-year stain and 10-year wear warranties.
