# Ace

Ace is a contemporary, low-maintenance wall-to-wall carpet range from Balta Group's Stainsafe brand.

The loop pile carpet features contrasting yarn colours and is available in seven dashing variations – from elegant and understated to bold and striking. Due to its polypropylene construction, the carpet is impermeable to water, exceptionally easy to clean and stain-resistant. Plus, because it is solution dyed, you don't have to worry about fading – the colour is an integral part of the fibre.

It features a Texflor felt backing, which can be installed without underlay – ideal for renters who want a budget carpet that is quick to lay, and just as easy to remove.
